

think *of these*
thoughts
as

LIMITLESS
LIMITLESS
LIMITLESS
LIGHT
LIGHT
LIGHT

exposing
closing

think of each
moment holding
this breath as

circuitry DEATH

of
light

in minute
decimal.

SEE
how the serfs work the

GROUNd
see how they work

AND THEY GIVE IT ALL THEY'VE GOT
THEY GIVE IT ALL THEY'VE GOT
GIVE IT ALL THEY'VE GOT
AND YOU GIVE IT ALL YOU'VE GOT
YOU GIVE IT ALL YOU'VE GOT

SEE
*how the BRAIN
plays*

undaroundaround

'til you're
DOWN

someone *help* me

UNDERSTAND
UNDERSTAND

what's going on *inside* my *mind*

and you
fall
inside
a hole you
couldn't
see

doctor i can't tell if i'm not
me

the particles start
to **marvel**

when it grows
bright

having made it
through the
night
