

hand in hand

the flowers understand

that we're
Fine

you and i

hands are

tied

i don't mind

but recently

everyone says

they are

seeing

less

of me

i could do better

if i had energy

be like i used to be

but frequently

A photograph of a person walking towards the horizon at sunset over the ocean. The sky is filled with warm, pinkish-orange clouds. The ocean waves are visible in the foreground. The person is small in the distance, appearing as a dark silhouette against the bright horizon.

*i picture myself walking
straight into the sea*

laughing as the
waves come rolling
to my knees

what a place to be
